

Nour Alhouda Aboud

Informatics Engineer

Resident of Montpellier/France.
Mobile: +33 6 17 71 87 16.
Fixe: +33 4 99 23 18 76.
E-mail: Nour.aboud@gmail.com.

Objective

Completing my studies in doctoral thesis, I have the ambition to pursue my postgraduate specialization. Given my fondness for Information Technology and Engineering with everything that can evoke the word Engineering (Analysis, Design, Implementation), I hope that I can be able to solve a problem that makes a fingerprint in the domain of informatics.

Education

- [2007- 2008]:** University of Montpellier 2 UM2: Master Research at information technology
Majors: Software Engineering.
